General Instructions

Purpose of Form

Use Form SZ-100 to notify Streaminz's designated copyright agent that material on Streaminz infringes a copyright you own or are authorized to enforce, and to ask that the material be removed or access to it be disabled under the Digital Millennium Copyright Act (DMCA), 17 U.S.C. § 512(c)(3).

Use this form only for copyright claims. To stop the archiving of your own channel, use Form SZ-102. For privacy, publicity, or other non-copyright claims, use Form SZ-103.

Who May File

- The copyright owner, if an individual.
- An officer or employee of a copyright owner that is a company or other organization.
- A representative authorized to act for the owner, such as an attorney, a management agency, a network, or a rights-enforcement company. Representatives complete Part VI.

Required and Optional Information

The items marked with a diamond are the elements of a notification under 17 U.S.C. § 512(c)(3): (1) a physical or electronic signature; (2) identification of the copyrighted work; (3) identification of the infringing material with information reasonably sufficient to locate it; (4) your contact information; (5) a good-faith statement; and (6) a statement that the information is accurate and, under penalty of perjury, that you are authorized to act for the owner.

Every other item is optional. It lets us confirm ownership and authority without writing back to you. A written notice that substantially complies with § 512(c)(3) is reviewed even if it does not use this form.

How To Submit

Fill in the form on screen, or print it and complete it by hand. Save it as a PDF, or scan the signed printout, and e-mail it with any attachments to **nillpoe@verchase.com**. Use the subject line **Form SZ-100: [your full name]** so the request reaches the right team. We reply from the same address with a case number; quote it in any follow-up.

Requests sent in another format are still reviewed, but they take longer because we may need to write back for missing details.

Our designated agent can also receive notices by mail at Verchase, Ltd., Attn: Yejun Ho, Copyright Agent, 16192 Coastal Highway, Lewes, DE 19958, United States. Telephone: +1 (302) 217 0072 (e-mail preferred). E-mail is faster.

What Happens Next

- We review the notice. If an element is missing, we contact you using the details in Part I.
- If the notice is valid, we remove or disable access to the identified material promptly.
- We notify the user associated with the material, if any, and may give them a copy of your notice.
- That user may send a counter-notification (Form SZ-101). If we receive a valid one, we send you a copy and may restore the material not less than 10 nor more than 14 business days after we receive it, unless our designated agent first receives notice that you have filed a court action seeking to restrain the user from engaging in the infringing activity on our service.
- Streaminz terminates, in appropriate circumstances, the accounts of users who are repeat infringers.

Fair Use and Misrepresentation

Before you file, consider whether the use may be a fair use, such as commentary, criticism, news reporting, or parody. Under 17 U.S.C. § 512(f), anyone who knowingly materially misrepresents that material is infringing may be liable for damages, including costs and attorneys' fees. The statement on line 22 is made under penalty of perjury.

Specific Instructions

Part I. Complaining Party

Enter the person who signs the form. Line 2a must match the name in the signature area.

Part II. Copyright Owner

Line 7. Check every basis that applies. A non-exclusive licensee cannot file a notice.

Line 10. If you check the first box, we may e-mail you a short code to place in the channel description or a post on the platform on line 9a. This is the fastest way to confirm ownership of broadcasts.

Part III. Copyrighted Work

Describe each work so we can recognize it, for example the channel name and broadcast date, or the song title and artist.

Part IV. Material To Be Removed

Give the full Streaminz URL of each item and the matching work number from Part III. Check "Entire item" if the whole recording infringes; otherwise give the start and end times.

Part VI. Authorized Representative

Line 17 must be signed by the copyright owner, not by the representative. If you hold a separate authorization letter or power of attorney, attach it and check box 18 instead.

Part VIII. Statements and Signature

Check boxes 21 and 22 and sign. Box 23 confirms you have read the warning above.

Privacy Notice

Identity documents are used only to verify this request and are not forwarded to that user.
