Notes

General Instructions

Purpose of Form

Use Form SZ-103 to ask Streaminz to remove content because it affects your privacy, safety, reputation, or another personal right, rather than a copyright. This includes people who appear in or are mentioned in a broadcast under Privacy Policy Article 21.

- Copyright claims: Form SZ-100.
- Broadcasters who want their own channel no longer archived: Form SZ-102.
- Access to, correction of, or deletion of your account data: Form SZ-104.

Urgent Situations

If anyone is in immediate danger, contact local emergency services. Report child sexual abuse material with the in-app report reason **Child abuse or exploitation** instead of this form, and never attach the material itself.

How To Submit

Fill in the form on screen, or print it and complete it by hand. Save it as a PDF, or scan the signed printout, and e-mail it with any attachments to **contact@streaminz.io**. Use the subject line **Form SZ-103: [your full name]** so the request reaches the right team. We reply from the same address with a case number; quote it in any follow-up.

Requests sent in another format are still reviewed, but they take longer because we may need to write back for missing details.

What Happens Next

- We review each item against applicable law and our Terms of Service, and may restrict access during the review.
- We may ask you to confirm your identity or authority before acting.
- We tell you what we decided for each item. If we remove content another user created, we may notify that user without sharing your contact details unless the law requires it.

Specific Instructions

Part I

If you act for someone else, enter your own details on lines 2a through 3b and theirs on line 4.

Part II

Timestamps help us remove only the part that concerns you when the rest of a broadcast is unaffected.

Part III

Be specific. For personal information, say what it is and where it appears. Attach any court order or police report that applies.

Part IV

Identity documents are optional until we ask. Black out every number except your name and photo.
